My Goals for the Bar Association is to build a transparent, inclusive and member-oriented mechanism that works consistently and dedicatedly for the welfare and convenience of every advocate.

I would ensure to make myself available for all the member advocate at all times required. In addition to that, I further promise to represent the stand of the members before the committee as well as the court concerned.

Your opinion on the Selection & Appointment of Judges *What is your stance on the current Collegium System versus alternative models (e.g., Judicial Appointments Commission with Bar representation)? What should be the correct, transparent method for selecting Supreme Court and High Court judges? (50 words)*

I support the existing system of Collegium.

Dear Esteemed Members of the Bar,

As a fresh candidate aspiring to serve as a Member of the Executive Committee, I seek your support with a sincere commitment to bring new energy, greater accessibility and a more solution oriented approach to the working of our Association.

I believe that an Executive Member, as I myself promise to do so, will not merely hold a position, but will remain available, responsive and accountable to every member of the Bar. I promise to contribute towards an Association where the concerns of members are heard with seriousness, decisions are taken collectively and transparently. And to represent the Bar with dignity and professional etiquette.

As a new candidate, I come with determination of placing the collective interest of the Bar above individual aspirations. I hope to serve as an effective bridge between the members and the Executive Committee and to contribute positively to a more united, progressive and accountable Bar.
